Serenade 2020

It's time for a post-lockdown celebration in Angell Town

Brixton Chamber Orchestra's fantastic live orchestral experience offers a unique way to unite a community divided for too long by social distancing.

BCO introduces classical music to new audiences, in unexpected venues. They are known for blending musical traditions including Grime, Gospel, Rock, Folk, Jazz & R'n'B. BCO are Lambeth's community orchestra: local talent reflecting the creative energy and cultural diversity of the borough, but in a different way.
