Tina Echebima-Johns, Acting Chair, Angell Town RMO

It was a great honour to be appointed as the Acting Chair of the Angell Town RMO Board this year. In my years serving on the board it has been a thrill to work with the committed volunteers who serve as Board members and the dedicated staff of the Housing Team; their knowledge and passion for the residents is inspiring. On the Board of ATRMO I find the role we play as an advocate and a voice for community especially rewarding and there are many highlights from the past 7 months. It has been hard work through thick and thin, we were able to work extremely hard to overcome the situation and save the community from what would have been a regrettable / disastrous situation.

I am most grateful to the residents I had the privilege to serve and especially the turnout on the 25th Year Anniversary of ATRMO, I say thank you. On behalf of the ATRMO Board I will use this opportunity to say thank you to all at Angell Town, the ATRMO appreciate every member of the community and I believe that we work together to make this community great and a better place to live. Merry Christmas and a Happy New Year.

*Tina*

# The 25th Anniversary Celebration Dinner

The 25th Anniversary Celebration Dinner held on 6 December 2018 was a resounding success with over 100 residents in attendance. We invited all residents to attend the Gala dinner to celebrate 25 years of providing a housing management service.

At this event we launched the Dora Boatemah Community Service Award. These awards are a fantastic opportunity for us to recognise the outstanding achievements of both individuals and organisation, who are central to the Angell Town Community's success.

The Dora Boatemah Community Service Award will be held annually and Angell Town Residents are invited to nominate a person or team or organisation who have made positive contributions to the Angell Town Community in the previous year(s).

All residents or entities within Angell Town or any external person, group or organisation are able to be nominated, as well as colleagues working at Angell Town RMO. The awards complement other methods of reward and recognition, in particular our Above and Beyond Scheme for all staff.

## This Award Categories will include the following:

- The Dora Boatemah Youth Engagement Award
- Outstanding Young Persons Award
- Block Champion Award
- Angell Town RMO Award for Innovation
- Apprentice of the Year
- Equality, Diversity and Inclusivity Award

You will be notified about the voting mechanism next year.

*Gillian Marchall-Dunkley collecting the Community Services award on behalf of Simon Ghartey with the Secretary of the Board*

*Dora Boatemah on the Angell Town Estate*

*Patience Nwodu, in the blue evening dress, the winner of the Samsung Curve TV*
