**Stay Alert, Control the Virus, Save Lives**

# Important Information

## Rent and Service Charges

Whilst we know that these are indeed challenging times for all, I must remind you that you still have to keep up with your responsibility of ensuring that **Rent and Service charges** continue to be paid.

You are advised to set up standing order and direct debits methods of payments where possible in order to ensure regular payments are made towards rent for tenants and service charges for leaseholders. Please contact your Housing Officer to make arrangements for payment of outstanding arrears where applicable.

For those in difficulty please ensure that you claim the benefits that you and family might be entitled to, such as Universal credit, Job seeker's allowance etc. If you require further assistance with financial advice, please contact your Housing Officer who will provide you with

information of organisations and agencies that may be able to assist you.

## Anti-Social Behaviour

In addition, we would like to remind all that as people are in lockdown at home to please be more considerate towards neighbours and be careful with **Noise Nuisance** such as playing loud music, TV, shouting, banging doors.

As you are responsible for members of your household and visitors to your home, you are reminded to please ensure that youths in your households do not congregate outside homes, on the streets thereby causing a nuisance and disturbance to neighbours living nearby.

Please remember that all residents have the right to live and feel safe in their homes and neighbourhood.

## Parking

During current lockdown there are no parking restrictions on estate. Please park sensibly.

## Kitchen & Bathroom Program

The Langport House kitchen & bathroom program is currently on hold. It is hoped to restart in September and carry on to March 2021.

## Cleaning

The caretaking service has been increased but all staff are observing safe distancing whilst inside block.

## Repairs

Day to day repairs are slowly being increased but all contractors are observing safe distancing & will carry out their own risk assessment before booking the works

## Rent Account- Text to find out your balance
